World Book Day and Copyright Day

Our college library celebrated World Book and Copyright Day on **23 April, 2026** under the guidance of our Incharge Principal Shri. K. S. Melamalgi. The event aimed to encourage reading habits among students and raise awareness about the importance of books and copyright. The program was open to all students, teachers, and staff. The date, April 23rd, was chosen by UNESCO to commemorate the deaths of renowned authors like William Shakespeare and Miguel de Cervantes. In our college library, we celebrated this day by displaying the books of renowned authors, special display of new arrivals, rare reference books, and popular novels.

The program was inaugurated and presided over by Incharge Principal Shri K. S. Melamalgi, who delivered an inspiring address to students and staff. In his presidential address, he emphasized that books are the greatest companions, mentors, and guides in a student's academic and personal journey. He motivated students to build a daily habit of reading beyond their textbooks by highlighting famous literary thoughts. A brief talk by librarian about the importance of books in life, copyright rules, open-access resources, and how to avoid plagiarism in academic writing.
