## Anti Ragging Grievances and Redressal Cell

College has a Anti-ragging and Redressal Cell, to redress the grievance of its stakeholders regarding sports, 'Admissions', 'Academic matters', 'Library' and other services. The cell redresses the grievances of the students by sorting out the problems promptly & judiciously. For this purpose 'Suggestion box is kept in the college premises. Those students who are not willing to appear themselves, drop their grievances in suggestion box. The suggestion box is opened twice a year i.e, in the middle of the first term & similarly in the second term. Then the meeting is called to discuss & find out the solutions to redress the grievances of the students. When ever the Grievances of the students are noted, they are redressed and solved amicably.

Since the inception, the college with management have tried their level best to redress the grievances of stakeholders and provide the most needful and basic facilities, like 'canteen', 'purified drinking water', 'Indoor and outdoor games', 'hall for yoga and meditation' and 'clean toilets'.

1. During the year results of some students were withheld by the university, this grievance of the students were brought to the notice of committee, which with the help of the Principal redressed the grievance. Principal contacted the concerned authorises and set right the problem.
2. Students grievances regarding the toilets are also solved. Toilet facility is renovated and upgraded.

The Ragging, Grievances and Redressal cell is quite proud to note that, there are no grievances of ragging and women sexual harassment cases in our institution.
