# COURSE

The course on Corporate Law is a core course in almost all National Law universities and other State universities. This course is taught to both UG and Master courses. specialization. This course is also important for professional courses like, Masters in Commerce, Masters in Business Administration.

The course is a full credit course for universities. Generally, law universities offer this course as a 4-credit full course which is taught over one semester. The course is certification ready and looking into its importance for persons associated with business and law, it will be able to meet the needs of lifelong learners. Professionals who may not be enrolled for a regular degree or who only wish to understand corporate laws, their need will be served by the course.

## OBJECTIVES

1. India has witnessed tremendous growth in the corporate sector in the last few decades.
2. In view of this, it becomes important for students of law and commerce to understand the legal dynamics of the corporate sector.
3. The course covers all important recent developments in this area.
